RQ Charters Booking Terms and Conditions

Please read the following carefully before signing the Booking Form. By signing the Booking Form you are agreeing to these Terms and Conditions.

A 25% deposit and a completed booking form is necessary to confirm your booking with RQ Charters. This deposit is non refundable.

Every person making a booking on behalf of a passenger or group of passengers confirms that he/she has the authority of that passenger and that each such passenger agrees to be bound by these Terms and Conditions. The balance of the charter price is payable 8 weeks in advance. Please ensure you contact us to finalise all arrangements at this time.

Customers have been known, due to unforeseen circumstances, to cancel all or part of their diving holiday. This is not something RQ Charters can be held liable for and as such we recommend you take out holiday insurance which should cover your expenses in this eventuality. Therefore the price of your charter will not be refunded.

If owing to circumstances beyond our control, we cannot provide the charter booked or a suitable alternative, we will refund all money paid, in full, and the passenger shall have no further claim against us.

Radiant Queen Charters reserve the right to vary the charter in any way we consider preferable due to adverse weather or any other conditions. Ultimate decisions regarding the safety of the vessel, and those on board, rest with the skipper. The skipper will always endeavour to find suitable alternative/sheltered dive sites.

The MV Radiant Queen is fully insured to carry 12 passengers within its area of operation. Our insurance does not cover passengers who are away from the vessel or while engaged in diving activities. We do not accept responsibility for loss of, or damage to, passengers gear, property or valuables whilst onboard or in transit. With this in mind please ensure you have adequate insurance cover.

The skipper may refuse to carry any passenger or their luggage for any reason relating to the safety of the vessel and its passengers. The skipper also reserves the right to refuse to carry any passenger who contravenes the diving regulations relating to the wrecks of the German Fleet.

In the event of further increases in fuel prices we regret that we must reserve the right to add a fuel surcharge to your charter price. That said we would avoid this wherever possible.

We reserve the right to alter these Terms and conditions at any time. If you need any further clarification on these Terms and Conditions then please do not hesitate to contact us.

Please make all cheques out to **Radiant Queen Charters**. Alternatively we can accept bank transfers and IBAN transfers. Unfortunately at this time we cannot accept credit cards. Please ensure your preferred dates are available and that you have confirmed your charter price before submitting your booking form.
